

Fall Webinar Series

Sopris Fall Webinar Series: Improving Student Outcomes with a Coherent, Comprehensive Approach

Raising students' achievement is a multi-faceted process that goes beyond programs; it takes teachers, leadership, data, and positive school climate.

This free Educators Webinar Series connects you to cutting edge research and is designed to support leaders in implementing proven, practical solutions. The six Webinars include:

- **Announcing *DIBELS Next***
Take the vital signs to predict reading success.
- ***RIDE Behavior Intervention Bank***
Address individual student problems effectively and efficiently
- ***RAVE-O: Proven Literacy Intervention***
Effectively address reading challenges and promote excitement about language and thinking.
- ***AVEL: Academic Vocabulary***
Deepen students' knowledge of word meanings to increase academic success.
- ***REWARDS***
Sharpen reading and writing skills and support all core curricula
- ***LETRS***
Increase effectiveness of core reading and supplementary instruction.
