PRICE: \$2,025.50

Unit 1: My School—Its Location

The primary focus of Unit 1 is the school and local community. The unit introduces basic map skills, addresses seasonal changes in the local community, and discusses various land uses. Attributes of the local community (e.g., language, seasons, land use, and culture) are explored.

Unit 4: Basic Needs and People Who Provide Them

This unit focuses on the basic human needs of food, clothing, and shelter. The economic concept of needs is distinguished from wants. The concept of economic activities (“jobs”) is explored, both in the roles of family members and in the school and community. The benefits of a voluntary exchange are demonstrated, as well as skills involved in this process.
